

Gurugram Solar RWA Meet 2018

Making Gurugram a Solar City

9:30 am, May 5, 2018 Conference Hall, Ibis Hotel, Golf Rourse Road, Gurugram

Objective:

Gurgaon First is pleased to announce “Gurugram Solar RWA Meet 2018” with the aim of encouraging RWAs to put up solar rooftops projects. Recently, Wellington Estate in DLF Phase V, Gurugram has installed a 200kWp roof-top connected solar power plant and is experiencing substantial savings in its electricity bills. We are proposing to invite progressive RWAs of Gurugram in the Solar RWA Meet with the objective of making Gurugram a solar city. Some of the issues covered at the Meet will be:

- A) Solar Basics**
- B) Experience and Knowledge sharing by RWAs and Industry Players**
- C) Interaction with Authorities**

Workshop Participants:

RWA members, Progressive Citizens, Solar panel manufacturers and EPC providers, Solar Consultants, Government officials, Solar Sector Associations and NGOs, and Officials of HAREDA, DHBVNL, and HUDA. The half day workshop will have presentations and panel discussions followed by Lunch.

Participatory Fee:

There is a participatory fee of Rs 800 per delegate. To attend, kindly write to us at **teamgurgaonfirst@gmail.com**. You could pay on our website's home page **www.gurgaonfirst.org** under "our upcoming event". Alternatively, you could also send us a cheque or wire transfer the amount.

For more details, you could reach us at 0124-4259827
